## CAMP DESCRIPTIONS

### Snap, Edit and Print Digital Photo's

Do you want to learn more about photography and how to use your digital camera? This workshop will teach you how to use your digital camera to take better photos. In this workshop we will cover the important aspects of photography such as exposure, camera operations and photo composition. Working with Adobe PhotoShop Elements you will learn techniques for enhancing and correcting your images.

**(Ages 9-14)**

## CAMP DIRECTOR

Jill Mudge

Jill Mudge is the owner of NH DigitalWorks. She has been involved with photography all her life and enjoys photographing landscapes, equine sports, wildlife. She received her BFA in Photography from Minneapolis College of Art and Design and a Masters of Science Degree in Printing Technology from Rochester Institute of Technology. She has been teaching graphic arts, photography, desktop publishing and computer applications at local schools since 1998.

## ABOUT GRIP

GRIP is a Graphic Imaging and Photography Workshop, which explores the world of photography and video, from pinhole cameras to the digital darkroom.

Our Goal is to provide enrichment programs in the digital arts for students ages 9-14. GRIP offers classes in photography, web design, computer graphics and animation. Through our workshops, students will unleash their imagination and explore the digital arts. They will expand their imagination. Using digital storytelling and photography, they will empower themselves and unleash their visual voices.
